Essential Soft ~~Skills~~ **HUMAN SKILLS**

for Managers in

Flexible, Hybrid & Hybrid Workplaces

What to
expect
when we
talk about
soft skills

Why you need to know about Emotional Intelligence

(also known as Emotional Quotient)

What will
the future
workplace
look like?

Trust in modern,
dispersed
workplaces

Trust is a
mutually
beneficial
two way street

There's a straight
line between high
trust and
meaningful
productivity

TRUST → ENGAGEMENT → MEANINGFUL
PRODUCTIVITY

Defining mental health

Why aspire to
manage a
“mental health first”
team?

A neon sign with the text "OPEN 24 HOURS" in a glowing, stylized font. The sign is illuminated with a warm, orange-red light. The background is dark, making the neon stand out. The sign is mounted on a wall, and the reflection of the sign is visible on the surface below it.

Question what
we accept as
“normal”

Mental wellbeing on the balance sheet

Managers who prioritise mental wellbeing have more successful teams

People & Culture

What is culture?

Did Covid have an effect on organisational culture?

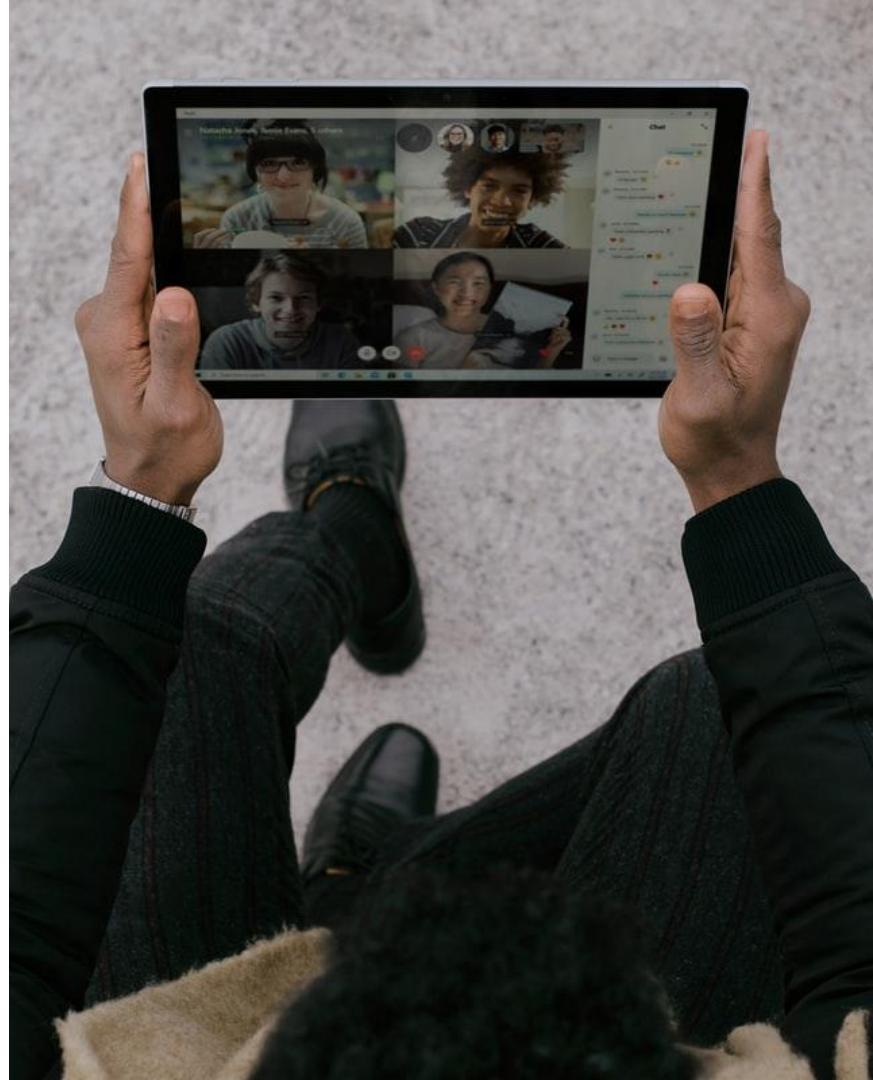

What have been the biggest influences that have impacted culture in an organisation?
