

On 12 November 2021, the British Chamber of Commerce Myanmar and WWF-Myanmar organised an online event, aligned with the UN Climate Change Conference (COP26) in Glasgow. This document provides a summary of additional resources. Click on the links provided below to access each of them.

Climate and Sustainability: Risks and Opportunities for Myanmar's Financial Sector

RESOURCES

1. Video 'Our Planet: Too Big To Fail' ([English language only](#) | [English with Burmese subtitles](#))

Released by WWF in September 2020, this 42-minute video with stunning visuals directly addresses the finance sector and its role in tackling the climate and nature crisis.

2. Tool: [Sustainable Banking Assessment \(SUSBA\)](#)

WWF's interactive SUSBA tool shows year-on-year changes and highlights progression or regression in performance by banks on the integration of environmental and social considerations in their corporate strategy and decision-making processes.

3. Report: [Powering Nature](#)

This WWF report, released in September 2021, focuses on the creating the conditions that enable nature-based solutions. There is a specific chapter on finance.

4. Report: [Bankable Nature Solutions](#)

Presenting 13 case studies, this WWF report demonstrates how bankable nature solutions can generate a financial return and have a positive impact on nature, people and climate. Published in June 2020.

5. Publications and resources: [WWF's Finance Resources](#)

Explore various publications and resources from WWF designed to support financial institutions, investors, insurers, banks and regulators in valuing nature, managing nature-based risks, and developing innovative nature-based solutions and approaches.

6. Report/Tools: [Charting a New Climate](#)

This report provides state-of-the-art tools and data for banks to assess credit risks and opportunities from physical climate change impacts. Published by the United Nations Environment Programme (UNEP) Finance Initiative in September 2020.

7. Publications and resources: [UNEP's Finance Initiative Resources](#)

Access multiple reports and resources from UNEP's Finance Initiative, organised by sector, theme and geography.
